

DON'T JUST WEAR THE SHIRT

LIVE IT!

**Falcon
DAY OF CARING
4.26.2019**

United Way of Muscatine (UWM) and Louisa & Muscatine School invites you to participate in our **Annual Falcon Day of Caring** on Friday April 26, 2019! On this day, we will have a student team complete a meaningful project for your agency or a client in need. Projects will be done 8:30 am – Noon.

Day of Caring exemplifies Living United when students join with local civic and community groups to connect with others in the Louisa Muscatine community who need our help.

There are so many benefits to your project uniting with our community on Day of Caring. Prior to April 26, we will strive to match your organization with volunteers that will be able to complete a project of your choosing. We encourage you to submit as many projects as needed. There are no guarantees on every project being matched; we will try to accommodate your preferences. This Falcon Day of Caring is with students at L&M.

See the attached forms to:
